Dynamic Retail Systems

Dear our clients and partners,

we would like to thank You for the visiting of our booth at the Exhibition "Riga Food 2011". We were very glad to see You there. It was pleasant and interesting for us to meet with You, share our news with You, tell about our achievements and product innovations of our partners: **"Moretti Forni", "Autofry", "Hamilton Beach", "Cambro & Table Craft"**.

We do hope that this meeting was interesting and beneficial for Your business development and expansion and we would always be excited to have joint projects.

Yours ever "VITRUM"
